There was an error in the type designation of the genus *Ellobium* [Röding], 1798 (page 3, left 3–5th lines). We thank Dr. T. Matsubara (Hokkaido University of Education) for his pointing out.

For:

Genus *Ellobium* Röding, 1798

Type species: Ellobium midae Röding, 1798, by original designation.

Read:

Genus *Ellobium* [Röding], 1798

Type species: Ellobium midae [Röding], 1798, [= *Bulla aurismidae* Linnaeus, 1758], by subsequent designation.
